Dear Vendors:

This addendum is in reference to the INVITATION TO BID, 05RFP46784YC
Audit Services

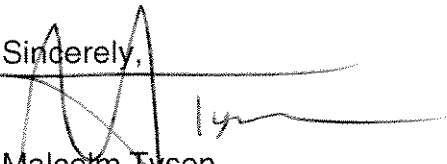

1. How many audit adjustments were made by fund for the prior year? **Fulton County made adjustments and the auditor had an additional 6-8 for all funds combined.**
2. Please provide a copy of the prior year management letter. **This information will be provided upon receipt of a written request under the "Open Records Request."**
3. What was the actual and budgeted number of hours for the auditors last year? **This information is not available.**
4. What was the total audit fee proposed and paid for the prior year? **\$195,000.**
5. Were there any disagreements between the auditors and management on accounting matters? **No disagreements were noted.**
6. What audit impact does management expect regarding the incorporation of Sandy Springs? **A reduction in general fund revenues for sales taxes that will now go to Sandy Springs, estimated at \$18 million, and our Special Services District will encounter significant change given the Schaefer amendment which requires revenues derived in each noncontiguous area of Sandy Springs be used exclusively to fund operations in that same noncontiguous area. We believe in practice we will have three new "SSD's" and one new enterprise fund that will record expenses for Sandy Springs that will be reimbursed by that new city.**
